## Traveling

### Why did you choose this topic?

I chose this topic because I would like to help teenagers improve their travel experience when going to Norway, as this could help them appreciate Norway more. I want to focus on things that teenagers like to do, compared to what adults like to do which is what makes this different from other travel guidebooks.

### Product/ Outcome

A blog

### Learner Profile

**Inquirer** - stay interested with the research that will have to be done  
**Communicator** - keep up with my process journal, layout of my book, and how language is used in my book

### Global Context

**Orientation in space and time**

- The exploration of journeys

### ATLs

**Media Literacy** - Locate, organize, analyse, evaluate, synthesize and ethically use information from a variety of sources and media (including digital social media and online networks)  
**Organization** - Set goals that are challenging and realistic  
**Communication** - Give and receive meaningful feedback, and use appropriate forms of writing for different purposes and audiences.

### Goal

**My goal** is to develop a high quality travel guidebook for teenagers traveling to Norway. I will investigate what teenagers what teenagers enjoy doing, and I will compare it to activities that are available in Norway. With this information I will create a travel blog to improve their travel experience. Improving their travel experience will make them appreciate Norway more.

### Specifications

**I will know that I am successful if:**

1. I have investigated what teenagers enjoy doing, and compare it to activities that are available in Norway.
2. The travel guide consists of activities directed at teenagers.
3. I receive feedback from a broad group of people to ensure the best quality possible.
4. I have advertised my blog through social media, so that it will receive as much attention as possible.
