

Travel guide blog

Maria Witsø

Personal Project 2015-2016

Goal

My goal is to create an informative summer travel guide on Norway for teenagers.

Global Context:

Orientation in space and time:
The exploration of journeys.

ATL'S

Media Literacy - Locate, organize, analyse, evaluate, synthesize and ethically use information from a variety of sources and media

Organization - Set goals that are challenging and realistic

Communication - Give and receive meaningful feedback, and use appropriate forms of writing for different purposes and audiences.

Learner Profiles

Inquirer - stay interested with the research that has to be done

Communicator - keep up with my process journal, design of my blog, and how language is used on my blog.
